the end of this policy. Allegations of violation of these policies as applicable are considered as allegations of discrimination under this policy.

Appendix II includes contact information for all offices mentioned in this policy and for other available resources.

II. Scope of this policy regarding Discrimination Grievance Procedures.

This policy establishes the procedures to be followed in the event of allegations of discrimination against a University employee or volunteer or against a non University individual, including the employee of a contractor at, a visitor to, or a patron of the University.

This policy also establishes the procedures to be followed in the event of allegations of discrimination against a student or student organization based upon sex or sexual orientation, including allegations of sexual harassment, sexual violence or misconduct, relationship violence, or stalking.

Murray State University is committed to investigating, in a prompt, reliable, and equitable manner, allegations and claims of discrimination in the operation and administration of its programs, services and employment practices.

This policy supersedes any other grievance mechanism with respect to issues of discrimination and affirmative action, except as the question of discrimination and affirmative action constitute a part, but only a part, of grievances or complaints filed before other hearing bodies within the University. In these latter cases, the proceedings before the hearing body shall be suspended until matters of discrimination and affirmative action have been decided in accordance with the procedure provided by this policy.

III. Reporting Allegations of Discrimination and Where to report violations

A. Where to report allegations that *you* have been discriminated against

Any member of the University community, including students, staff, faculty, patrons, visitors, employees of a contractor, and applicants for employment and admission, who believes he or she may have been subjected to discrimination by a University employee, student, or volunteer or non-University individual is encouraged to report it as provided below.

- 1. Allegations against University employees, volunteers, and non-University individuals.*

If the matter cannot be immediately reported to the Executive Director/Title IX Coordinator, the matter must be reported as soon as possible.
